

AKASH PATNAIK

CLOUD ANALYTICS ANALYST

30th September 2020 to 20th March 2024 (LWD)

SKILLS

- FinOps
- AWS : EC2, S3
- Google Big Query
- Azure
- SQL
- Power BI
- Python

TOOLS

- PowerBI
- Cloudability
- CloudHealth
- BigQuery
- PyCharm

CERTIFICATIONS

- Finops Certified Cloud Practitioner
- GCP Cloud Associate Engineer
- Azure Fundamentals (AZ-900)

PROFILE SUMMARY

Seasoned cloud computing professional with over three years of hands-on experience in AWS, specializing in FinOps practices to optimize cloud costs and enhance financial efficiency.

WORK EXPERIENCE

Accenture : Cloud Analytics Analyst (January 2023 - Present) - Serving Notice Period

- AWS-specialized FinOps Practitioner with expertise in optimizing cloud costs, and delivering value through strategic cost management and client relationship building.
- Estimated costs for new projects and handling ad-hoc financial requirements within the FinOps framework.
- Collaborated with various clients to develop cloud optimization strategies using the FinOps model and BigQuery for data analysis, resulting in substantial reductions in their cloud expenditure.
- Utilized Power BI for FinOps, leveraging these tools to enhance financial operations and optimize cloud costs in AWS environments

Accenture : Cloud Tech Associate (September 2020 - December 2022)

- Proficiently deployed Python-based automation workflows to enhance time efficiency and optimize cloud workload data retrieval.
- Realized significant time and cost reductions by effectively utilizing AWS Batch, S3, Lambda, ECS, ECR, and CodeBuild.

ACADEMIC HISTORY

- BACHELOR OF ENGINEERING:
INSTRUMENTATION AND ELECTRONICS (2016-2020):
CET, Bhubaneswar
- SENIOR SECONDARY : (BIEAP)
Year of Completion: 2015-2016
Narayana Jr College, Visakhapatnam
- SECONDARY: (CBSE)
Year of Completion: 2013-2014
VSV, Sunabeda
