CAREER OBJECTIVE

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

IT TRAINING

Completed IT Career Program at Faith InfoTech Academy, Technopark with specialization in Full Stack .NET with Angular. Training Included basics of programming using Python, Database using Oracle , Console and Web application using C# & .NET Technologies with ADO.Net, ASP .Net -MVC, Single Page Application with REST API, Entity Framework, and Angular.

IT SKILLS

UI Development : Angular 10
Programming : Python, C#, SQL
Web Technologies : HTML, CSS, Java Script.
Framework : ADO.NET , ASP.NET MVC, NET Core and Entity Framework
Database : Oracle, MS SQL
Tools : Postman, GitHub, SonarQube
IDE : Visual Studio 2022, Visual Studio Code

PROJECTS DURING IT TRAINING

Full Stack Application- Clinic Management System

The Clinic Management System project aims to revolutionize the way healthcare clinics operate. It offers a seamless and efficient platform for managing patient information, appointments, billing, and overall clinic workflow.

Front End : Angular 10

Back End : REST API in .NET Core Framework, IDE used - Visual Studio 2022

Database : MS SQL with Joins, CRUD operations, Normalization.

Role : Developed the Pharmacist Module for the Clinic Management System, identified use cases and Actors, UI Design and Validations, Server side programming, Database Design, Unit Testing, Integration Testing and Presentation.

Web Application - Clinic Management System

Developed an MVC application where I assumed the role of Pharmacist, contributing significantly to the efficient functioning of the Clinic Management System. My role as a Pharmacist involved handling tasks such as medicines management ,listing daily prescriptions, and creating bills for patients. and ensuring seamless integration with the Doctor's module.

Front End : HTML, CSS and JS.

Back End : Http Get and Post methods using ASP.Net - MVC

Database : MS SQL with Joins, CRUD operations, Normalization.

EDUCATION

Noorul Islam University
