SUMMARY

3.6 years deep into the world of pixels and frames, I'm a graphic virtuoso and video sorcerer. With a passion for crafting eye-catching designs and seamlessly edited narratives, I transform concepts into visual masterpieces. Armed with a palette of cutting-edge software and a knack for staying ahead of trends, I thrive on pushing creative boundaries. From sparking ideas to delivering polished end products, I'm on a mission to captivate and leave a lasting visual imprint. Let's make pixels dance and stories unfold!

- Photography

WORK EXPERIENCE

Globizz Overseas Consultants Pvt Ltd - Chandigarh

Senior Graphic Designer & Multimedia Artist • Sep-2020 To Feb-2023

- *In the digital realm, I wield **Adobe Photoshop, Illustrator, and Premiere Pro** to blend Pexel's diversity with vector precision. With Photoshop, I craft marketing sagas on a cosmic canvas, each pixel a star. Illustrator transforms vectors into brand charisma brushstrokes. Premiere Pro orchestrates synergies, turning pixels and vectors into strategic crescendos that resonate in the digital zeitgeist.*

Yukti Herbs Mohali - Punjab

Senior Graphic Designer & Multimedia Artist • Feb-2023 To Present

- *As a seasoned **senior designer**, I skillfully blend leadership with creativity using **Adobe Photoshop, Illustrator, and Premiere Pro**. Steering teams through projects, I align design initiatives with company goals, ensuring meticulous quality standards. My strategic vision contributes to brand development, elevating user experiences and delivering compelling results with Adobe's creative suite.*
