Objective

As a Quality Analyst with experience in the field, I have made a significant impact in my current role at Kochar info tech. I have a strong background in data analysis, effective time management, and teamwork. My skills include communication skills, proficiency in Microsoft Excel and Office, and the ability to work effectively in a team. Moving forward, my goal is to continue to excel in my role and earn the Continuous Feedback Star Certificate. I am confident that my skills and accomplishments make me a valuable asset in the field of quality analysis.
