- Data Modelling
- Domain knowledge
- Proficient in HTML,CSS
- Software skills
- Communication and Presentation

Languages

- Tamil
- English

Objective

Detail-oriented and skilled Data Annotator with a strong background in accurately labeling datasets for machine learning projects. Seeking a challenging role in Data Annotation to contribute expertise in ensuring high-quality annotated data.

Experience

OBJECTWAYS TECHNOLOGIES

Data Analyst

Annotated and labeled large-scale datasets for various machine learning projects, including computer vision and natural language processing applications.

Utilized industry-standard annotation tools to accurately label images, text, and other types of data according to project guidelines.

Collaborated with cross-functional teams, including data scientists and project managers, to ensure alignment with project requirements and timelines.
