Toyo Engineering India Private Limited,

I am writing to express my interest in the Trainee Engineer position at Toyo Engineering India Private Limited, With a strong background in Civil Engineering and a solid skill set in Microsoft Excel, AutoCAD, STAAD.Pro, and ETABS, I am confident in my ability to contribute to your team and projects.

Throughout my academic journey at Shri Guru Gobind Singhji Institute of Engineering, I have gained valuable knowledge in civil engineering principles and practices. My proficiency in software tools and my hands-on experience in various projects have equipped me with the skills needed for success in the Trainee Engineer position at Toyo Engineering India Private Limited.

As a member of the NSS Club and Media Coordinator at my college, I have honed my communication and coordination skills. I am a dedicated and detail-oriented individual, always striving for excellence in my work. My passion for civil engineering, coupled with my commitment to teamwork and innovation, aligns well with the values and goals of Toyo Engineering India Private Limited.

I am excited about the opportunity to contribute to the success of Toyo Engineering India Private Limited and to grow professionally within your dynamic work culture. Enclosed is my resume for your review, and I would welcome the opportunity to discuss further how my skills and experiences align with the needs of your team.

Thank you for considering my application. I look forward to the possibility of discussing my candidacy with you further.

Sincerely,

Atharva Sunil Sawalkar
