EDUCATION

Bachelor of Technology

Muthayammal Engineering college

06/2020 - 03/2024

84%

Branch

◦ Chemical Engineering

HSC

Selvam Higher secondary school

06/2019 - 04/2020

61%

Branch

◦ PCMB

SSLC

Govt Higher secondary school

06/2017 - 04/2018

73%

PROJECT

Extraction, isolation and Characterization of flavanoid compound quercetin from Rosa centifolia roots (08/2023)

An Experimental Study On Synthesis Of Biolubricant Using Vegetable Oil (03/2024)

INTERNSHIP

Extraction , Phytochemical screening of Zingiber Officinale (rhizome) on Calcium Hydrogen Phosphate Dihydrate Crystal Bio Techno Solutions

08/2022 - 09/2022

SKILLS

Python

Html

WORKSHOP

Participated in "Enabling Quality in Technical Education for earning in Python for Data Scientist" organized by Imagecon Academy, Salem

Fabrication of process equipments (10/222)

Erode Sengunthar Engineering college

PAPER PRESENTATION

Presented a paper on the topic "Petroleum Refining" at Mahendra Engineering College Mallasamudram, Namakkal-637503

CERTIFICATES

Completed a course on Environmental Engineering from NPTEL.

Certified by Fundamentals of Programming in python organised by Terv.

Certified by Advanced Data structure in python organised by Terv.

Nanotechnology in agriculture

Indian economy:

Some Contemporary perspectives

LANGUAGES

English

Full Professional Proficiency

Tamil

Native or Bilingual Proficiency

AREA OF INTEREST

Heat Transfer

Mass Transfer

Fluid Mechanics

Chemical reaction Engineering
