Chandra Kiran Park-B, Flat No-3,
Opp.Satyam Sweets Govind Nagar,
Nashik-422009

OBJECTIVE

I seek challenging opportunities where I can fully use my skills for the success of the organization.

EXPERIENCE

Inditronics Pvt Ltd,Pune

16/04/2022 - Present

Electronic Engineer

Nature of Work

- PCB Design
- Electronics Circuit Testing
- Knowledge of DSO, Multimeter

Knowledge of Components

- Electronic components/solutions sourcing, schematics, BOM consolidation, component preparation, PCB debugging and rework, measurement, and testing in the development and validation phase
- Defining test plan and test set-up

Reliance Electronic, D1/2, MIDC Ambad,Nashik.

14/03/2021 - 31/03/2022

Testing Engineer

Nature of Work

- Manufacturing HHMD (Handheld metal Detector), Door frame metal Detector (DFMD) PCB Soldering work with Testing as per Testing Report
- PCB Visual Inspection and Testing
- To Rectify faults & Repair Work of PCB
- PCB Design Work

Alphatech System,Canada Corner,Nashik.

25/12/2017 - 14/01/2019

Service Engineer

Nature of Work

- PCB Repairing and Testing
- UPS and Battery Related Work etc.

Rishabh Instruments Pvt. Ltd, F-31,MIDC, Satpur,Nashik

18/11/2013 - 22/01/2016

Assembly and Testing Engineer

Nature of Work

- Working with Relay Assembly Dept.
- PCB assembling and component testing.
- Relay Testing work

SKILLS

PCB Desiging, Soldering, Testing Engineer, Debugging Sillks, Visual Inspection, Product Development, Component Testing, Manual Testing

LANGUAGES

Marathi, Hindi, English

ACTIVITIES

Musical Instrument, Singing, Drawing,

Rishabh Instruments Pvt. Ltd, F-31,MIDC, Satpur,Nashik

08/10/2010 - 10/10/2011

Trainee

Nature of work

- Working with Relay Assembly Dept.
- PCB Assembly and component testing
- PCB Visual Inspection and Testing

EDUCATION

ITI (G) Govt.

2007

Electronic Mech.
70%

Whitline Technology,Pune

2022

PCB Design Course
A

Ideal Design

2024

Altium Software PCB Design

Nashik

2003

SSC
50%

PROJECTS

FM Receiver

FM Radio Receiver

PROFILE SUMMARY

ITI Electronics Engineering and Hardware PCB Design,
Debugging, Soldering, Visual Inspection, Components Testing,
Manual Testing.

HOBBIES

Musical Instrument,
Singing,
Drawing
