WORK EXPERIENCE

🚧 Worked with **Vivo Mobile India Pvt. Ltd.** Gr. Noida as a **Line Engineer**, since Dec 2015 to Feb 2023.

- **Equipment Maintenance:** Perform regular maintenance and inspections on production machinery and equipment to ensure they are in proper working condition. Troubleshoot and address any mechanical or technical issues promptly.
- **Process Optimization:** Analyze production processes to identify bottlenecks, inefficiencies, and areas for improvement. Implement process optimization strategies to increase productivity and reduce waste.
- **Safety Compliance:** Ensure compliance with safety regulations and company policies. Implement safety protocols to create a safe working environment for all team members.
- **Data Analysis:** Collect and analyze production data to monitor performance metrics and identify opportunities for improvement. Use data-driven insights to make informed decisions.
- **Continuous Improvement:** Proactively suggest and implement process improvements to enhance production efficiency, reduce downtime, and minimize costs.
- **Training and Support:** Provide training and support to production operators on equipment operation and proper use of tools. Promote best practices and ensure standard operating procedures are followed.
- **Documentation:** Maintain accurate records of maintenance activities, equipment performance, and process changes. Prepare reports and documentation as required.
- **Team Collaboration:** Collaborate with production, maintenance, and quality control teams to achieve production goals, resolve issues, and foster a positive work environment.

🚧 Worked with **Elentec Pvt. Ltd.** Noida, since Mar 2013 to Nov 2015.

- **Installation and Maintenance:** Executed cable installations, ensuring proper connections and functionality. Conducted regular maintenance to uphold network reliability and minimize downtime.
- **Troubleshooting and Repair:** Proficiently diagnosed and resolved cable-related issues, employing troubleshooting techniques to rectify connectivity problems swiftly and efficiently.
- **Quality Assurance:** Assisted in quality checks and assurance processes, guaranteeing adherence to industry standards and protocols, thereby ensuring reliable performance and customer satisfaction.
- **Team Collaboration:** Collaborated with a team to streamline operations, coordinate installations, and communicate effectively to ensure smooth workflow and timely project completion.
