India,Nagpur • +917058293067 • aniketgaikwad72002@gmail.com • [Linkedin](#) DATA ANALYTICS

SUMMARY

Aspiring data enthusiast with a keen interest in artificial intelligence, equipped with foundational knowledge in data analytics techniques and AI algorithms. Eager to apply academic learnings and passion for technology to drive insights and innovation in data-driven decision-making

HARD SKILLS

- DSA in C++
- Python and SQL
- Machine Learning
- Javascript (HTML and CSS)
- React and tailwind
- Solidity
- C++ programing
- BI(Buisness intelligence)

SOFT SKILLS

- Leadership
- Thinking
- Observant
- Assertive
- Requirements Gathering

ACHIEVEMENT

- Achieved Third Runner Up in the National IT Quiz hosted by Tata Consultancy Services (TCS) and Karnataka government
- Secured Second Runner Up in the College Python Hackathon
- Represented as an all-rounder for the State Cricket team
- Co-founded EarthVerse NFT Platform

PROJECTS

- **Crime Prediction Using ML**
- Applied machine learning models to forecast crime hotspots based on social and economic indicators.
- Assisted law enforcement agencies in identifying high-risk areas, contributing to proactive crime prevention strategies.
- **Table Tennis Bat Detection and Ball Spot Prediction**
- Developed a cutting-edge system integrating computer vision and machine learning to detect table tennis bats and predict real-time ball spots.
- Enhanced gameplay analysis for players and coaches, resulting in a more precise understanding of performance metrics.
- **EarthVerse NFT Platform Co-Founder**
- Co-founded EarthVerse, an NFT platform dedicated to promoting environmentally-conscious artworks.
- Led a team in establishing and managing the platform, fostering a community of artists and collectors passionate about sustainability.
- **STOCK Market Prediction**
- Engineered a stock market prediction project utilizing R language, specifically analyzing Adani Stock data to forecast optimal buying and selling positions.
- Applied statistical modeling techniques to predict market trends, resulting in improved investment strategies and increased profitability.

EDUCATION

- B.Tech, G. H. Raisoni College Of Engineering (Artificial Intelligence) 2021 - 2025
- SCIENCE mankar Adarsh vidyalaya kalmeshwar (12th)
- Jindal vidya mandir school (10th)

RESEARCH

- Submitted a paper titled 'Addressing User Challenges in ChatGPT' to IEEE and SNCS conferences, mentored by Dr. Mangla Madankar.

CERTIFICATE

- MOM(Maharashtra Olympiad movement) District Rank : 181 • State Rank:614
- Data Analytics certificate (accenture)
- Limca Record participation on Speakathonevent
