PROFESSIONAL SUMMARY

Proactive and detail-oriented finance professional possessing strong analytical aptitude and a keen interest in financial markets seeking an entry level position to leverage my expertise in financial modelling, analysis and valuation. Eager to contribute to the growth of the company while continuously expanding my skill set.

EXPERIENCE

GS ANALYTICS PVT. LTD

Dec 2021 – April 2022

Equity Research Intern

- Assisted the senior analyst with fundamental analysis and tracking of 5 US mid-cap and large-cap companies belonging to consumer discretionary and real estate industries ensuring meticulous attention to detail in data collection and analysis.
- Analyzed annual and quarterly earnings reports as well as concall transcripts and created income and cash flow statements using financial modelling techniques.
- Gathered useful and relevant data from various sources, projected future earnings, and produced valuation of companies using valuation methodologies such as price to sales and price to TBV.
- Conducted comprehensive financial research and analysis to support strategic decision-making.
- Compiled analysis findings into compact insightful reports and reviewed investment reports.
