I was a dedicated content creator who produced engaging and informative content across various platforms. With a focus on my education, I aimed to inspire and empower my audience. Through my YouTube channel, I shared insights, tips, and stories that resonated with a diverse audience, fostering a community of like-minded individuals. My goal was to create meaningful content that not only entertained but also educated and motivated others to pursue their passions and achieve their goals & I'm ready for upcoming challenges in my work.

EXPERIENCE

Youtube Channel

2020-2022

Content Creator

I've been handling my YouTube channel since 2020, where I created multiple UPSC & a few food-related content.

Most of my videos have more than 200K views. Have published around 40 videos & shorts.

When I created videos on YouTube, I used my video editing, content writing skills, and vocal presentation.
