Projects

Parents Communication through mobile application (MAJOR PROJECT) October 2023 - March 2024

- Here the vision of the project is to connect the parents with their children and also to get the academic performance along with co-curricular activities. They can access their children's attendance, IA Marks, fees structure, SGPA/CGPA and announcements that would be updated by the teachers.

-Tools & Language used: **XML, Java & Firebase**

My Journal Application (MINOR PROJECT) July 2023 - August 2023

My project is MY JOURNAL APPLICATION which is based on the subject on **MOBILE APPLICATION DEVELOPMENT** under which we have design the app in which the User can upload the images by providing the details of it example-date, any thought or caption etc.

For its we used the platform **ANDROID STUDIO** in which we used **JAVA** language for its functions, to store the users' data at **backend** we used the online **FIREBASE** storage.

Extra-Curricular Activities

- Participation in the College Fest
- Performed group dance during the college fest,
- Hosted multiple events during the college fest
- Active member of the discipline committee which coordinated the college fest.

Strengths

- My adaptability, versatility and commitment to hard work.

- Capable of handling stress, team player and motivator.
- Quick Learner and adaptability to new technologies.

Hobbies

- Travelling
- Car knowledge & Driving
- Listening Songs
