Career Objective

As an HR professional with an engineering background, my commitment lies in building a work environment aligned with organizational goals. I apply both engineering insights and human-centric approaches to enhance employee engagement effectively.

Experience

Teamware Solutions - Talent Acquisition Specialist

Aug 2023 - Present Teynampet, Chennai

Client: Microsoft

- I played a vital role in the talent acquisition process, where I actively sourced, screened, and assessed potential candidates to meet the organization's staffing needs.
 - I utilized a variety of recruitment channels, including job boards, ATS Platform, social media platforms, and professional networking sites to identify and engage with potential candidates.
 - Well-experienced in both IT and non-IT recruitment
-
