ACHIEVEMENTS

I just completed Accenture North America's Data Analytics and Visualization on Forage. In the simulation I:

Completed a simulation focused on advising a hypothetical social media client as a Data Analyst at Accenture

Cleaned, modelled and analyzed 7 datasets to uncover insights into content trends to inform strategic decisions

Prepared a PowerPoint deck and video presentation to communicate key insights for the client and internal stakeholders

Check out the simulation here:
<https://www.theforage.com/simulations/accenture-nam/data-analytics-mmlb>

CERTIFICATIONS & COURSES

Data Analytics and Visualization certificate from Accenture.
