Internship

Underwent 10 months hands on training on **Java**, J2ee, Spring, Hibernate SpringBoot, Mysql database

TECHNICAL SKILLS

- Programming Languages : Java, OOPS
- J2EE : Servlet, jsp, jdbc.
- Framework : SpringBoot, Hibernate, Spring
- Frontend Technologies : HTML5, CSS, JavaScript.
- Databases : MySQL Server
- IDEs used: Eclipse, Sts, VisualStudio
- Version control: Git

Skill Set

❖ JAVA

- Good Knowledge in **OOPS**
- Good Knowledge in **Abstraction, Encapsulation, Inheritance, Polymorphism.**
- Good Knowledge in **Method overloading** and **Method overriding.**
- Good Knowledge in **Collection framework.**
- Good Knowledge in **Exception.**

❖ SQL

- Good Knowledge in **DDL, DQL, DML, TCL.**
- Good Knowledge in **Function.**
- Good Knowledge in **Sub-queries and Co-Related sub-queries.**
- Good Knowledge in **Joins.**
- Good Knowledge in **Normalization.**

❖ WEB TECHNOLOGIES

- HTML , CSS , JAVASCRIPT

Projects

1) Project Name : **StudentManagementSystem**

Languages : java

frameworks : j2ee (jdbc, servlets,jsp)

Database: Mysql Front end:

jsp IDE: Eclipse

Description: The main objective of this project is to manage students information of an institution. This project has a registration page and login page for institute management. The main feature of this project is, admin can insert student details, view all student details in table format, admin can update and delete the student details.

2) Project Name: **CustomerManagementSystem**

Languages : java

frameworks : j2ee (jdbc , servlets, jsp)

Database: Mysql

Front end: jsp

IDE: Eclipse

Description: The Main purpose of this project to manage Customer information .The project will be used any company to manage Customer details The main feature of this project is admin can insert the details moreover he can update and delete the Customer details

3) Project Name :**Automation of solar panel cleaning system**

TECHNOLOGYUSED:IOT DESCRIPTION:the cleaning system has been designed, cleans the module by moving a robotic cleaning system the system consists of a robot with water spraying and dusting system..

1) EDUCATIONAL QUALIFICATION

- **BTECH(ECE)**=Dayananda Sagar University (54.15%)
- **DIPLOMA**=Jss Polytechnic, Mysore (63.3%)
- **PUC**=Sarada Vilas College Mysore (53)
- **SSLC**=Marimallappa High School (67%)
