Profile

I am a 3rd year B.Tech student at GITAM University in Visakhapatnam, India, majoring in Computer Science with a specialization in Artificial Intelligence and Machine Learning (AIML). I am passionate about using technology to solve real-world problems and to make the world a better place.

Internship

○ 05-03-2024 to 10-04-2024

Oasis Infobyte

Web Development and Designing

- During my internship at Oasis Infobite, I gained hands-on experience in web development and design, honing my skills in creating engaging and user-friendly digital experiences.
- This opportunity allowed me to apply my knowledge in a professional setting and collaborate with a talented team to deliver impactful web solutions.

○ 01-03-2024 to 01-04-2024

Coding Raja

Full Stack Webdevelopment

- During my internship at Coding Raja, I immersed myself in full-stack web development, acquiring valuable expertise in both front-end and back-end technologies.
- This experience provided me with a comprehensive understanding of building dynamic and robust web applications, enhancing my proficiency in the field.

○ 01-08-2023 to 15-09-2023
