SWARNAA SREE S

Student at Dhanalakshmi College of engineering

PROFILE

Experienced Frontend & Backend Developer | Proficient in HTML, CSS, JavaScript, Tailwind CSS, Node.js, and Python. Specializing in crafting seamless web experiences, I excel at translating designs into responsive interfaces and building robust backend functionalities. With nine months of hands-on experience, I stay ahead of industry trends to deliver top-notch solutions. Beyond frameworks, I harness Python's power for scripting, data manipulation, and automation, ensuring robust and efficient solutions.
