📍 Anakapalli Andhra Pradesh 531055

OBJECTIVE

Self-motivated and hardworking fresher seeking for an opportunity to work in a challenging environment to prove my skills and utilize my knowledge & intelligence in the growth of the organization.

EDUCATION

2018	SSC Andhra High School 9.5 CGPA
2020	Intermediate Narayana Junior College 9.44 CGPA
2024	B.Tech - ECE Raghu Institute of Technology 8.24 CGPA
2024	Minors - Data Science Raghu Institute of Technology

ACTIVITIES

Nss Volunteer

INTERNSHIPS

All india radio - visakhapatnam

AWS cloud virtual internship

PROJECT

Design and Simulation of Low-Power SISO and PIP0 Shift Registers using CMOS Technique

This project presents a method for designing and simulating low-power shift registers using CMOS technique. The design aims to minimize power consumption while maintaining performance metrics. The approach uses DSCH and Microwind 3.5 software for circuit modeling and analysis. Simulation results show significant power savings and performance requirements, making it suitable for energy-efficient digital systems.

SKILLS

Time management

Communication skill

LANGUAGES

Telugu

English

CERTIFICATIONS

Data science for engineers issued by NPTEL

Object oriented programming in java issued by scaler

Young python professional issued by infosys springboard

Introduction to SAP issued by great learning academy

TECHNICAL SKILLS

Microsoft office : word,excel

Programming languages : c,oops in java,python

Knowledge on SAP BASIS

PERSONAL DETAILS

Date of Birth : 17/04/2003

Father Name : Ramu

Mother Name : Parvathi

Willing to Relocate : Yes,as a fresher I am really excited about this opportunity

DECLARATION

I here by declare that all the information given above is true and correct to the best of my knowledge
