Falakata High School
77.8%

Secondary (Madhyamik) (WBBSE) 2015
Falakata High School
79.4%

💼 EXPERIENCE

Intern 19/02/2024 - 18/04/2024
NGO Sapna (Rajasthan)
During my attachment with NGO Sapna in Rajasthan from February 19, 2024, to April 18, 2024, I served as a professional in Agriculture and Rural Development. My primary responsibilities included establishing a Mushroom unit, implementing mulching technology in onion fields, promoting organic farming, providing training on organic manure preparation and application procedures, facilitating the formation of Self-Help Groups (SHGs), and actively participating in nursery development activities. This involved training on soil mixture preparation, sapling cultivation using germination trays, basic nursery plant management, and drafting project proposals for sustainable agricultural systems."

Rural Living and Learning Experience (1) 11/06/2023 - 20/06/2023
IRDM Faculty Centre, RKMVERI
Understanding the material culture, geographical segmentation, household pattern, livelihood pattern, social and economic problems of Rural people and making community action plans against the problems faced by villagers of Kultali (South 24 Parganas)

IRDM Faculty Centre, RKMVERI

Understanding the material culture, geographical segmentation, household pattern, livelihood pattern, social and economic problems of Rural people and making community action plans against the problems faced by villagers of Jalangi (Murshidabad)
