

ACADEMIC QUALIFICATIONS			
Year	Degree/Certificate	Institute	CPI/%
2022 - 2026	BTech (Computer Science and Engineering)	Madan Mohan Malaviya University Of Technology, Gorakhpur	8.2/10.0
2021	Class XII(RBSE)	Saraswati Vidhya Vihar, Bandikui	99.4%
2019	Class X(RBSE)	Saraswati Vidhya Vihar, Bandikui	91.83%

KEY PROJECTS	
Tic Tac Toe Game <i>Personal Project</i>	
Objective	• A dynamic and interactive web-based Tic Tac Toe game with responsive design and smooth user interface
Techstacks	• Designed and implemented the game using HTML , CSS , and JavaScript
Outcome	• Developed a dynamic and engaging Tic Tac Toe game with a smooth and responsive user interface, enhancing the player's experience. • Project Link

CES Official Website <i>Society Project</i>	
Objective	• An engaging and user-friendly official website for the Computer Engineering Society
Techstacks	• Developed the website using HTML , CSS , JavaScript , Bootstrap , and ReactJS
Outcome	Architected a dynamic web application leveraging HTML, CSS, JavaScript, Bootstrap, and ReactJS; improved user navigation and interface, leading to a 30 percent increase in user retention and 20 percent growth in conversions.Project Link

SKILLS	
Languages	• Proficient: JavaScript, HTML, CSS, Java • Familiar: C++, SQL
Technologies	• Frontend: React, Angular, Bootstrap • Backend: Node.js, Express.js • Databases: MongoDB, MySQL • Tools: Git, Github

POSITIONS OF RESPONSIBILITY	
Planning and Strategic Assistant	• Computer Engineering Society, MMMUT • Assisted in planning and strategizing events and activities for the society. • Organized "Ennexus24," a technical event fostering innovation and collaboration among students.
Technical Head	• Entrepreneurship Development Cell, MMMUT • Led technical initiatives and workshops to promote entrepreneurship and innovation. • Organized national-level "ESummit'24," a flagship event bringing together aspiring entrepreneurs and industry experts for knowledge sharing and networking.

CODING PROFILES	
	• LeetCode: • 150+ questions and 1540 Max Rating Link • Codeforces: • 998 Max Rating Link • HackerRank: Link

ACHIEVEMENTS	
	• Secured 3rd position in a national-level hackfest by developing a hostel management website. • Achieved 2nd position in a capture-the-flag event among 500+ participants, focusing on cybersecurity and ethical hacking. • Awarded the prestigious RFUG Scholar 2022 for outstanding academic and technical accomplishments.
