Objective

I am enthusiastic about implementation and launching new initiatives in teaching method. I am a qualified engineering graduate from National Institute Of Technology Srinagar and has proficiency in Chemistry JEE and NEET .

Experience

ALTTC, Ghaziabad

Trainee Engineer (About Optical fibers and Networking)

13/01/2020 - 13/03/2020

Udemy (Aspen Software)

Trainee(Process and Simulation)

02/2021 - 03/2021

Samarthya Classes(JEE and NEET)

Chemistry Faculty(6th to 12th foundation)

08/2022 - Present

Education

NIT SRINAGAR J&K

B.Tech.

07/2022 — 7.159

Plus Two Higher Secondary School Rajapakar (Vaishali, Bihar)

Intermediate

04/2017 — 68.4

Pt.D.D.U.Sanatan Dharm School(Kanpur)

High School

08/2015 — 8.6 CGPA

Skills

- Chemistry
- Problem Solving
- Analytical Skills
- Communication
- Management

Projects

Synthesis and Characterization of different Catalysts to Convert Atmospheric CO₂ into Green Fuels.

Achievements & Awards

JEE Qualified (2017,2018)

GATE 2023 Qualified Chemical Engineering

NTSE Qualifier (2014)

State Rank-343

AIR-2345

National Level Science Talent Search Examinations-2013

Sate Rank-105

AIR-1612
