Company Name: softmind infotech pvt ltd Working as a Training in softmind infotech pvt ltd Dec 2023 To July 2024 In Web Technologyience

PROJECTS

MyReads: A Book Tracking App

MyReads: A Book Tracking App” is a React-based web application that allows users to track their reading progress. Users can categorize books into three shelves: "Currently Reading," "Want to Read," and "Read." The app provides a seamless user experience for managing book collections and discovering new books.[https://hiring-search.careerflow.ai/\(Try it here\)](https://hiring-search.careerflow.ai/(Try it here))

Employee Polls Web App The Employee Polls Web App is a React-based application designed to facilitate the creation, participation, and management of employee polls within an organization. This application allows employees to create polls with multiple choices, vote on various polls, and view poll results in real-time.
