## SKILLS

### Programming Language

- C++
- Python
- Embedded c
- HTML
- CSS

### Technologies

- IOT and embedded
- Machine learning
- Robotics

### Course Work

- Data Structure and Algorithm
- DBMS
- Computer Network
- SQL

## INTERESTS

- Learning New Technologies.
- Learning new Algorithms.
- Enjoy Solving real-life scenario-based data and algorithms problems.

## WORK EXPERIENCE

### MAHARISHI OIBS | WEB DEVELOPMENT INTERN

April 2024 - Present

- The Objective of this internship is to understand the fundamental of Wordpress and Front End Development and Web Designing
  - Developing , Maintaining and Hosting The Websites.
- Skills in HTML, CSS , JavaScript , Reactjs , Bootstrap . Creating new features, functionality and capabilities, on Websites.

## PROJECTS

### NETFLIX CLONE | Nov 2023 - DEC 2023

Tech Stack:- HTML , CSS

- The project aims to recreate the visual design and layout of the Netflix home page, providing a starting point for creating similar interfaces or learning web development techniques
- The page includes interactive elements such as buttons, dropdown menus, and hover effects.
- Implemented with hover effect for color change to enhance user interactivity.

### HEALTHCARE HOSPITAL WEBSITE | JAN 2024 - FEB 2024

- The website consists of webpage giving information about the appointment availability feature.
- This website contain a doctors list and the blog website information.
- Technology Used : HTML , CSS , Java script.

### AUDIO AND DATA TRANSFER LIFI TECHNOLOGY | JAN 2023 - JUNE 2023

Tech Stack:- IOT and Embedded , C++

- The need of this project is to develop and build a Li-Fi based wireless data transmitter and receiver.
- **Technology used** : VLC , IOT , Wireless Communication system  
Embedded C Programming , Line of Sight , Embedded C

## CERTIFICATIONS ACHIEVEMENTS

- Internet Of Things
- Fundamental of AIML Data science
- Frontend Development With Angular(basic)
- Programming essential in Python
- Cyber security by CISCO
- Certificate of appreciation for best project award in Electro Innovate 2.0
