

SHUBHAM RAJENDRA NAIK

At. Talvali Post. Khandale Tal. Alibag Dist. Raigad 402-201 • Email: naikshubham101@gmail.com • +91-9067704306 • <https://www.linkedin.com/in/shubham-naik-310475207>

PROFESSIONAL SUMMARY

To be involved in a career where I can venture into the diverse aspects of Engineering with my technical knowledge & educational qualifications and skills to serve the organization as well as the society.

TECHNICAL SKILLS

- **Software:** SOLIDWORKS
- MS OFFICE

SKILLS

- Problem solving
- Decision making
- Adaptability
- Attention to detail
- Product design
- Communication
- Time management

PROFFESIONAL EXPERIENCE AND SUMMARY

- Proficient with automobile repairing and maintenance techniques.
- Good interpersonal skills and ability to work with teams
- Familiar with different varieties of automobiles.
- Interactive, easily adjustable, and good at communication and coordination skills.
- Good leadership qualities and Teamwork.
- Well versed with designing and engineering principles
- Excellent analytical and multitasking skills.
- Ability to perform other physically strenuous work.

INTERNSHIP

AUTODUKAN PVT LTD, Procurement Trainee,

29 April 2024 – 1 June 2024

- Coordinating with vendor for relevant issues related to the product such as technical, delivery, tax invoice, dispatch clearance.

- Collaborating with logistics department for on time delivery of products.

POOJA AUTO GARAGE, Mechanic,

August 2023 - MAY 2024

- Experienced mechanic with 9 months of hands-on Experience in automotive repair and maintenance.
- Skilled in Diagnosing and repairing mechanical issues, conducting routine Inspections, and performing preventative maintenance. Proficient in Using tools and equipment to identify problems and provide Effective solutions.
- Committed to delivering high-quality service and ensuring customer satisfaction.

TVS PANCHJANYA MOTORS, Industrial Trainee.

May 2019 - June 2019

Responsibilities:

- Find out defect sustained by the vehicle.
- Diagnose the cause of the malfunctioning.
- Clean the engine parts and free the components of dirt.
- Replace the faulty parts and fix them.

EDUCATION

Bachelor of Engineering (AUTOMOBILE)

Dhole Patil college of engineering - Pune

June 2020 -May 2023

CGPA 8.38/10

DIPLOMA IN AUTOMOBILE

Pimpri Chinchwad Polytechnic-Pune

June 2017 -March 2020

Percentage – 76.67%

Class 12th - MSBSHSE

J.S.M college-alibag

JUNE 2016 – FEB 2017

Percentage - 45%

Class 10th - MSBSHSE

K.E.S Arun Kumar Vaidya High School- Alibag

May 2014 – March 2015

percentage – 70%

PROJECTS

Automatic Engine Oil Filling Machine

August 2022 - March 2023

Main Objective

- To design a bottle filling system that fills two different volumes.

Specific Objectives

- To design an automated bottle filling system capable of filling 2 different volumes without reconfiguration
- To design an automated transfer unit for the filled bottles
- To design and integrate control algorithm for the transfer unit and the filling system

OUTCOMES

- The bottle which provides it can be filled with different volumetric ratio.
- The time taken maybe reduce.
- It will reduce man power

Conversion of IC Engine into Electric Vehicle

June 2019 - May 2020

Description: Reducing oil consumption and air pollutant Emissions.

Technology: Advanced electric batteries.

HOBBIES

- Traveling
- Basketball

LANGUAGES KNOWN

- Marathi
- Hindi
- English.

DECLARATION:

I hereby declare that the above-mentioned information is true to the best of my knowledge and could be verified. Thank you for taking the time to review my resume. I look forward to talking with you.

Sincerely,

(Shubham Rajendra Naik)
