EXPERTISE SKILLS

1. Programming:
 - Python, SQL
2. Data Analysis:
 - Pandas, NumPy, SciPy
3. Machine Learning:
 - Scikit-Learn, TensorFlow, Keras
4. Data Visualization:
 - Matplotlib, Seaborn, Tableau
5. Statistical Analysis:
 - Hypothesis Testing, Regression, Bayesian Statistics
6. Databases:
 - SQL
7. Data Wrangling:
 - Cleaning, Transformation
8. Deep Learning:
 - Neural Networks, NLP
9. Mathematics:
 - Linear Algebra, Calculus, Probability
10. Communication:
 - Data Storytelling, Report Writing, Presentation
11. Problem-Solving:
 - Critical Thinking, Analytical Skills

INTEREST

Cooking

Playing Badminton

01 PROFESSIONAL PROFILE

"Driven Data Science Fresher with expertise in Python, R, machine learning, and data visualization. Eager to leverage analytical skills and statistical knowledge to drive data-driven decisions and provide actionable insights. Seeking to contribute to a dynamic team and tackle complex data challenges."

02 EDUCATION

Masters in Computer Application

Osmania University (2021 - 2022)

- Post graduated in computer applications

Bachelors in computer Application

Rayalaseema University (2017-2022)

- Graduated in computer applications

03 EXPERIENCE

Ai Variant

jan 2023-Sep 2033

"Motivated Data Science Fresher with expertise in Python, R, and machine learning. Successfully led three projects during a 9-month internship with Ai Variant. Eager to apply strong analytical skills and insights to drive data-driven decisions in a dynamic team environment."

04 Certifications:

- Introduction to Data Science- LinkedIn The Non-Technical Skills of Effective Data Scientists- LinkedIn
- Accenture Data Analytics and Visualizations
- Data Science Foundations: Fundamentals (2019)- LinkedIn
- Statistics Foundations 1: The Basics- LinkedIn
- Statistics Foundations 2: Probability- LinkedIn
- Data Visualization: Storytelling- LinkedIn Big Data in the Age of AI
- IBM Certification with Machine Learning With Python
- Data science Course Completion Certificate from Excelr
- 9Months Internship Certificate from Ai Variant

05 Acheivements:

- Participated in Kalaradana handwriting in School
- Participated in Kalaradana Debate in school
- Coordinated Stress Management sessions in college
- Social Service in hospital
