Project

Voice Enabled Assistance System-Real Time Object Detection Based on Machined Learning

Education

Pillai Hoc College of Engineering and Technology- Mumbai, India

July 2018 – Jun 2022

- *Bachelor of Engineering in Information and Technology | CGPI: 8.6/10*

Skills

-
- | | |
|----------------------------------|-----------------------------|
| 1. Commvault Tool | 2. Backup & Storage |
| 3. ServiceNow Tool | 4. AWS VPC |
| 5. Arcserve Tool | 6. HTML, CSS, JavaScript |
| 7. Netapp, Dell, HP etc. storage | 8. Windows Operating System |
| 9. JAVA Full Stack | 10. Microsoft Office |
| 11. AWS IAM | 12. AWS S3 |
| 13. AWS RDS | 14. AWS Route 53 |

Training and Certifications

-
- **Training Certificate in Java full Stack**
Institute: TNS Foundation
 - **Certified Commvault Professional**
 - **Windows Administrator Course from Udemy**
 - **AWS Solution Architect Certification & Training from Attari Classes**
 - **Certified AWS Solution Architect Associate**
 - **Python certification by IBM**

Declaration

I hereby declare that all the above details are true to the best of my knowledge and belief.
