SUMMARY:

With more than 20 years of experience in the field of education, I have acquired a strong set of skills in teaching English Language and facilitating students reach proficiency in all the skills of language – listening, reading, writing and speaking. My career highlights include teaching English language in a reputed school for about 15 years and winning the admiration of my students as one of their best guiding forces. Recently I thought of switching over to some other field for personal development where I can utilize the skills I have acquired, to the best. I am always committed to carry out my responsibilities to the best of my ability.
