

# VISHAL SADER

## DEVOPS ENGINEER

JAMMU, J&K, INDIA | +91 9697393198 | [vishalsadar75@gmail.com](mailto:vishalsadar75@gmail.com) | [Linked in](#)

 [GCP Certifications](#)

---

To seek and maintain full-time position that offers professional challenges utilizing interpersonal skills, excellent time management and problem-solving skills.

## Experience

---

### Graduate Engineer Trainee

Jan 2022- Jun 2022

TestingXperts Pvt. Ltd.

Chandigarh

- Through my DevOps training. I gained proficiency in VS Code, hands-on experience with cloud platforms, and honed my scripting skills.
- This has equipped me with the necessary knowledge and skills to excel in DevOps.

### Associate Software engineer

Jul 2022- Jun 2023

TestingXperts Pvt. Ltd.

Chandigarh

- I successfully completed a proof of concept (POC) where I deployed a Flask application on a Kubernetes cluster using ARGO CD and Jenkins, along with Nexus RM.
- The integration of these tools ensured efficient and reliable application delivery.
- Collaborated with team to analyze system solutions based on client requirements.
- Defined and documented scope of projects for distribution to team. Checked configuration files and logs to uncover root causes of problems.

### Software Engineer

Jun 2023- Present

TestingXperts Pvt. Ltd.

Chandigarh

- Worked on Project with US base company ASTM International where I Wrote Terraform scripts including ACI, AKS, Service Bus, Azure Functions, Key Vault, Load Balancer, Storage Account, and More
- I was responsible for working on the scripts and documenting how each one works.
- Coordinated with other engineers to evaluate and improve software and hardware interfaces.
- Promoted experience with Kubernetes, Docker and Amazon Web Services.
- Reviewed project specifications and designed technology solutions that met or exceeded performance expectations.
