CAREER OBJECTIVE

"To leverage my fresh perspective, passion for innovation, and eagerness to learn in a dynamic team environment, contributing creatively to projects while continuously honing my skills and embracing challenges as opportunities for growth."

WORK EXPERIENCE

During my internship at ASHUTOSH FINANCIAL SERVICE PVT. LTD., I specialized in advising Non-Resident Indians (NRIs) on investment opportunities. I analyzed financial data, conducted market research, and collaborated with senior advisors to develop customized investment plans tailored to their specific needs and goals. This experience enhanced my skills in financial analysis and client communication while providing insights into international finance.
