Hello, I'm Hitesh. I am a Bachelor of Commerce student who loves to learn and adapt. My education has given me a solid understanding of data. I enjoy tackling challenges and improving my skills. I believe being adaptable is important in today's changing world. I look forward to new opportunities and experiences.

Internship Experience

Data Analyst intern at Afame Technologies

April 2024 - May 2024

Internship Experience at Afame Technologies:

- **Developed two Microsoft Power BI dashboards:**
- **Titanic Survival Analysis:**
 - Created visualizations for survival rates, death rates, and predictive analytics.
 - Overcame challenges in calculating survival and death rates with assistance from YouTube tutorials and the team.
- **Sales Prediction Project:**
 - Produced predictions and visualizations for top products, countries, and categories.
 - Completed the project without encountering difficulties.
 - Successfully submitted both projects, earning a Certificate of Completion and a Letter of Recommendation.

Project Experience

Coffee Shop sale

January 2024 - February 2024

- Studied coffee shop sales data to find patterns in customer visits, revenue, and average order size.
- Made charts and graphs to show sales performance.
- Found the best-selling products and categories to help with inventory and marketing.
- Looked at sales by location and day to improve staffing and resource planning

Video subscription project

March 2024 - April 2024

- Studied subscription trends and retention rates to find areas to improve.
- Created charts and graphs to share insights with stakeholders.
- Found links between subscription costs and retention rates.
- Made data-based suggestions to improve the subscription strategy.

Freelancing Experience

Copy Paste

June 2023 - Present

- Conducted internet research to gather and verify data for client-provided journals.
- Inputted names, email addresses, and phone numbers into designated columns with high accuracy.
- Enhanced research and data entry skills through consistent practice and attention to detail.
- Managed time effectively to meet deadlines while maintaining data quality.
- Earned a basic income by successfully completing freelance projects.
