OBJECTIVE

To leverage my skills in Frontend and Backend technologies to create engaging, responsive, and user-friendly web interfaces, contributing to the development and maintenance of high-quality web applications.

EDUCATION

| | |
|---|-----------|
| Bachelor of Technology , AKTU University Computer Science and Engineering | 2022-2025 |
| Bachelor of Science , Dr. Bhimrao Ambedkar University, Agra | 2019-2022 |
| 12th , BJS Public School, Meerut CBSE | 2018-2019 |
| 10th , BJS Public School, Meerut CBSE | 2016-2017 |

SKILLS

| | |
|------------------------------|--|
| Frontend | HTML, CSS, Javascript |
| Version Control | Git |
| Backend | Nodejs, Express, RestFul APIs |
| Database | Sql, MongoDB, MongoDBAtlas |
| Framework | React, Bootstrap |
| Programming Languages | C/C++ |
| DSA | Array, Queue, Stack, STL, Strings, Sorting, Searching |
| Soft Skills | Time Management, Communication, Adaptability, Teamwork |

EXPERIENCE

- Full Stack Developer Intern at ZIDIO** July 2024 - September 2024
- Completed Full Stack Developer Internship utilizing the MERN stack, contributing to end-to-end web application development and deployment
- Web Developer Intern at OCTANET** May 2024 - June 2024
- Gained hands-on experience in developing responsive and user-friendly web interfaces using HTML, CSS, and JavaScript, collaborating closely with designers to bring their visions to life.

PROJECTS

Airbnb Website (MERN PROJECT). Developed a responsive Airbnb-like website, integrating user authentication, dynamic listings, and booking functionalities, showcasing front-end development skills in HTML, CSS, and JavaScript. ([Try it here](#))

Text Util (React PROJECT). A React-based text utility app enhances readability and efficiency by offering features like uppercase/lowercase conversion, length calculation, and reading time estimation. It simplifies tasks, making it ideal for students, writers, and professionals alike. ([Try it here](#))

EXTRA-CURRICULAR ACTIVITIES

- Cocubes Assessment Test**. Secured a commendable score of 573 in the Cocubes assessment, showcasing strong problem-solving skills and a deep understanding of core programming concepts.
- Flipkart Grid 5.0**. Qualified two levels of Flipkart Grid 5.0, demonstrating competitive programming skills and technical expertise.
