Handled company secretaryship tasks at KK Corporate Solutions from February 2023 to July 2023, including Ministry of corporate affairs filings, managing digital signature certificates, ensuring legal compliance, and overseeing GST registration.

Managed journal entries, general ledger maintenance, invoice processing, voucher verification, and bank statement reconciliation as part of chartered accountant duties at S R V & Associates from January 2022 to June 2022."

PROJECTS

In 2024, I undertook a 3-month study titled "Unified Payments Interface (UPI) - Problem and Satisfaction Data Analytics with Special Reference to Coimbatore." This project aimed to analyze consumer issues and satisfaction levels related to UPI payments. By collecting and analyzing data, I explored consumer awareness, preferences, and common problems faced during UPI transactions in Coimbatore.

In 2022, I conducted a 3-month study titled 'Buy Now Pay Later Data Analytics and Consumer Preferences with Special Reference to Thirupathur.' The project involved analyzing consumer preferences and challenges with the Buy Now Pay Later service. It aimed to understand usage patterns and identify issues faced by consumers in Thirupathur.
