(UTTARAKHAND)

Goal oriented Professional, with proven ability to handle assembly operations, seeking engineering assignments in Production/Operations with a reputed organization

CAREER SUMMARY:

Having 10+ years of experience in Production and Engineering in Automotive OEM. Having good exposure & implementation skill in Lean Techniques, KAIZEN.

ACADEMIC PROFILE

| Sl. No. | Name of the Institute | Diploma | Percentage | Year of Passing |
|---------|--------------------------------|------------------------|------------|-----------------|
| 1 | Govt. Poly. Srinagar (Garhwal) | MECHANICAL Engg. | 70.06% | 2009 |
| 2 | I.T.I. Danya(Almora) | ELECTRONICS | 76.42% | 2005 |
| 3 | G.I.C. Panuwanaula | 12 th (PCM) | 48% | 2003 |

PROFESSIONAL EXPERIENCE

| Sl. no | Organization | Designation | Department | Duration |
|--------|--|-------------------|-------------|------------------------------|
| 1 | John Deere India Private Ltd. | Technical Trainee | Production. | From Mar 2010 to Mar 2012 |
| 2 | John Deere India Equipment Private Ltd | Technician | Production. | From April 2012 to till date |

PROFILE SUMMARY

- More than **10+ years** exp. in tractor transmission assembly, gear box assembly, production, quality & process improvement, serving **John Deere India Pvt Ltd** as TEAM LEADER.
 - Well versed with areas like tractor and transmission assembly quality, tooling their maintenance and experience of working in other domains like supply management and Manufacturing engineering as well.
 - A Production engineering professional with knowledge of new product launch methods, streamlining them for regular production, commissioning and operation.
 - Possesses positive attitude and excellent analytical, communication skills.
 - Proficiencies in managing Production Operations with proven abilities in reducing downtime and enhancing operational efficiencies.
 - Possess the knowledge & expertise in maturity of judgments under pressure /ability to escalate problems without delay to appropriate levels for resolution.
 - Adapt at supervision, co-ordination, manpower management and managing the day-to-day and round the clock operation.
-

ROLES & RESPONSIBILITIES AS TEAM LEADER @ JDI

- **Manpower planning & People management to achieve the production target**
- **Factor Master planning coordinator**
- **Line balancing & PIP activity**
- **Developing QC story culture in the TRM factory. Assembly of Transmissions.**
- **Production Planning.**
- **Transmission gear box & R/S Testing.**
- **Rework Analysis. VA & NVA**
- **Q-Note Generation.**
- **Developing Tools & Fixtures for Assembly.**
- **Installing new Assembly line for new models.**
- **Ware Housing of Tested Transmissions.**
- **In Sequence dispatch of Transmission to the Vehicle Department.**
- **Completed work zone-1 to zone-4 and Testing W/H.**
- **Implementation of various projects on TPM, Lean Mfg., Poka Yoke, & Safety.**

KEY ACHIEVEMENTS:

- Line balanced the stations from 2.5 min to 2.35 min takt.
- Increased the Line balancing efficiency by 17% and reduced 7 manpower
- Reduced 8 min Lead time of TRM by shifting the mainline work content to subassembly.
- Eliminated the congestion by improving the Layout and space saving 61sqm
- Best project in kitting area.

AREAS OF EXPOSURE

- Good Knowledge and practical exposure to various manufacturing technologies.
- Practical exposure to design and evaluating the process for development.
- Ability to handle multi project
- Hands on experience in working with SAP-ERP System (PP module)
- Good exposure in Productivity Improvement, Poka yoke, Kanban Kaizen activities
- Good knowledge about Tractors Transmission problems.

INDUSTRIAL TRAININGS

Ergonomics
TPM, Kanban Activity and 5s Studies
Poke-Yoke (Mistake Proofing)
JDQPS DPS & DPQS (John Deere Quality Production System)
Material Flow Analysis & PFEP (Plan for Each Part)
Lean Manufacturing & 7 QC Tools
NFFP & OSHAS
Product Knowledge
Soft skill training ATI&EPI in Dehradun.

CORE COMPETENCIES

- Sound Knowledge in Conceptual skills – Automation, Tool design ideas, FMEA
- Good Knowledge of MS office.
- Effective communicator with the ability to present complex information to diverse groups and individuals.
- Ability to adjust self to the environment.
- Innovative with creative ideas and implementation.

PERSONAL PROFILE

Date of birth : 30th Jun 1985
Father's name : Mr. Kunwar Singh
Linguistic Proficiency : English, Hindi
Marital Status : Married

DECLARATION

Hereby, I declare that the information and facts herein stated above are true to the best of my knowledge and belief.

Place : pune

Date : 1/03/2024
