Dynamic Production Executive with a proven track record at Iris Polymers Industries Pvt Ltd, where I spearheaded a team to refine manufacturing processes and enhance production efficiency. Expert in scheduling and safety practices, I significantly improved operational workflows. My leadership and design for manufacturability skills resulted in notable achievements in production execution and policy development.

Production Executive skilled in optimizing processes, boosting output and achieving demanding production targets in fast-paced environments. Familiar with analyzing production data and using judgment and planning abilities to optimize operations. Successfully coordinates raw materials and finished goods.

Results-oriented achiever with proven ability to exceed targets and drive success in fast-paced environments. Combines strategic thinking with hands-on experience to deliver impactful solutions and enhance organizational performance.
