PROFILE

I have a strong technical background, with vocational training at Daroli Limestone Mines, where I gained hands-on experience in geology, exploration, and mine development. My recent internship at Hindustan Zinc Limited, where I worked on a "Revenue and Profit Analysis" project, deepened my understanding of the mining and metal industries. Earning my B.Tech. in Mining Engineering with First Division with Distinction in 2023

EXPERIENCE

INTERN, HINDUSTAN ZINC LIMITED (VEDANTA) ZINC SMELTER, DEBARI, UDAIPUR, RAJASTHAN

20th Jun 2024 -19th Aug 2024 (2 months)

- Worked on a project titled "Revenue and Profit Analysis at HZL," gaining a deep understanding of revenue structures and profit drivers in the mining and metal industries.
