Hindu

Language know

English, Hindi, Marathi, Gujarati,

Objective : Enthusiastic and motivated fresher with foundational knowledge in hardware, networking, and cloud technologies. Hands-on experience with AWS services and a passion for designing scalable, secure, and efficient solutions. Eager to leverage technical skills and problem-solving abilities to contribute to innovative cloud and IT infrastructure projects.

Education

Diploma in Hardware and Networking Technology

[Baroda Institute of Technology], [Vadodara, Gujarat]
[March/2023] – [October/2023]

- Key Topics: Networking Fundamentals, System Administration, Hardware Installation, and Troubleshooting.

AWS Cloud Practitioner & Solutions Architect Training

[Baroda Institute Of Technology], [Vadodara, Gujarat]
[November/2023] – [November/2024]

- Hands-on Practice: EC2, S3, RDS, VPC, IAM, CloudWatch, and Lambda.
- Gained foundational knowledge of designing cost-effective, fault-tolerant architectures.

Bachelor of Commerce (B.Com)

[The Maharaja Sayajirao University of Baroda], [Vadodara, Gujarat]

[April/ 2019] – [October/2023]

Technical Skills

- **Hardware & Networking:** Installation and troubleshooting of systems, LAN/WAN setup, router/switch configuration.
- **Cloud Technologies:** AWS services (EC2, S3, VPC, RDS, CloudFormation, IAM).
- **Operating Systems:** Windows (10, Server), Linux (Ubuntu, CentOS)..
- **Monitoring Tools:** CloudWatch, Nagios, and basic network diagnostic tools like Wireshark.
- **Other Skills:** TCP/IP, DNS, DHCP, VPN, and firewall configuration.

Projects

1. AWS Infrastructure Setup for a Web Application

- Designed and deployed a secure and scalable architecture using AWS services (EC2, S3, RDS, and IAM).
- Implemented monitoring and alerts using CloudWatch.

2. Small Office Network Design

- Configured LAN/WAN for a mock organization, including routers, switches, and firewalls.
- Resolved hardware and connectivity issues, ensuring seamless communication.

Hobbies
