PROFESSIONAL SUMMARY

With a solid foundation in Production Planning, Quality Control, and Inventory Management, I have honed my skills in Lean Manufacturing and efficient Scheduling. My experience in manpower supervision, particularly in loading and unloading procedures, has allowed me to optimize workflow and enhance operational efficiency. Although I hold a Graduate degree in Arts and Humanities, I have successfully applied my educational background to foster effective communication and problem-solving in the workplace. I am dedicated to driving continuous improvement and contributing to the success of manufacturing processes.

WORK EXPERIENCES

(SLMG BEVERAGES PRIVATE LIMITED) (COCACOLA) Prayagraj Feb-2023 to Apr-2024

Manpower Supervision Ability (loading & Unloading Procedure)

- Supervised loading and unloading operations to ensure efficiency and safety.
- Planned production schedules to optimize workflow and resource utilization.
- Implemented quality control measures to maintain high standards in operations.
- Managed inventory levels to prevent shortages and reduce excess stock.
- Applied lean manufacturing principles to streamline processes and minimize waste.
- Coordinated scheduling to align manpower with operational demands.
- Trained and supervised staff on best practices for loading and unloading.

PROJECT

Operate Machine As Plan Of HPP Feb-2023 to Apr-2024

- The Operate Machine project focuses on developing an advanced machine operation system aimed at optimizing production processes in the HPP sector. By integrating cutting-edge technology and automation, the project seeks to enhance efficiency, reduce operational costs, and improve overall productivity. Key features include real-time monitoring, data analytics for performance optimization, and user-friendly interfaces for seamless operation. The outcome will not only streamline workflows but also contribute to sustainability goals by minimizing waste and energy consumption in manufacturing processes.

SKILL SET

- Production Planning
- Quality Control
- Inventory Management
- Lean Manufacturing
- Scheduling

EDUCATION

B.A (Graduate)

S.S.V.V. VARANASI

Apr-2020 to Apr-2022

Specialization

Arts&Humanities

LANGUAGES

- Hindi (Read, Write, Speak)
- English (Read)

INTERESTS

- Playing Cricket Listening Music Reading Book
