## Profile

I'm a passionate UI/UX designer and creative design student seeking opportunities to leverage my skills in user research, interaction design, and prototyping. I aim to contribute to impactful, user-friendly digital experiences that meet both user needs and business goals..

## Work Experience

### Zidio Development

07-2024 - 10-2024

#### UI/UX Design Intern

- UI/UX Design Intern at Zidio Development As a UI/UX Design Intern at Zidio Development, an innovative software solutions company, I was key in crafting intuitive and visually appealing user interfaces for a job listing portal and an e-learning platform. His responsibilities included:
- **User Research:** Conducted user interviews, surveys, and usability testing to identify pain points and enhance user experience.
- **Wireframing & Prototyping:** Created wireframes, interactive prototypes, and high-fidelity mockups using tools like Figma and Adobe XD.
- **Collaboration:** Worked closely with developers, product managers, and other stakeholders to ensure design feasibility and alignment with business objectives.
- **Design Implementation:** Ensured the final designs were pixel-perfect, accessible, and aligned with brand guidelines.
