## LANGUAGE

- English
- Hindi
- Marathi

## EXPERTISE

- Management Skills
- Government Authorised Certificate of AutoCAD, CATIA, Solid works. Creo & UGNX
- Quality Control
- Regulatory Awareness
- Data interpretation
- Process development
- Work on Machines
- Design 2D & 3D model in Catia V5, Cad
- Attended online course of PMS robotics
- Attended online course of six sigma (green belt, white belt, black belt) in linkedin

## EXPERIENCE

### Sharada Industries Bhosari MIDC - Pune

August - January 2022-23

- As a Production Engineer I worked in Sharada Industries. I gained knowledge about product analysis of a given job.
- How to do QC of a given product.
- Worked in design sector as a beginner in design, learned about different designing software and learned there basics such as CATIA V5 and CAD.
- Experience on many machines like lathe machine, gear shaper, hobbing machine, milling machine

### Chevrolet Technologies Kondhwa - Pune 2021 - 3 months

Developed effective communication skills through hands-on experience, where I regularly engaged with team members, clients, and stakeholders. Demonstrated the ability to convey complex ideas clearly and collaborate efficiently within a professional work environment.

### JCB India Ltd Talegaon MIDC - Pune January - June 2024 - 6 months

- Conducted quality control and assurance for manufacturing products, including compactors, excavators, and wheel loaders.
- Assisted in the development and implementation of quality inspection procedures to ensure compliance with industry standards.
- Collaborated with cross-functional teams to identify and resolve quality issues, enhancing product reliability and performance.
- Participated in data analysis and reporting to track quality metrics and support continuous improvement initiatives.

## EDUCATION

### **AISSMS polytechnic Pune**

Mechanical Engineering

2018-2021

### **AISSMS College of Engineering**

Bachelor's of Engineering

Production Engineering

2021-2023

### **Graphix Technologies (6 months Design Course)**

Post Graduate Diploma in Automotive Product Design

Design Engineer

Auto CAD, CATIA, Solid works, UGNX & Creo

+2 Domians - Sheet metal and Plastic Modeling

6 Months

## SKILLS SUMMARY
