Career Objective

Seeking a position that utilizes my experience, while allowing me the opportunity to grow professionally, to be resourceful, innovative and flexible, and to add valuable assets to your esteemed organization as an active member.

Work Experience

3) ARVIND MILL LTD, Ahmedabad, Gujarat (16Jul 2021 - 7Oct 2024)

Associate Manager (Dyeing Department)

- **Position Expertise:** Skilled in shift management and production planning during shifts, ensuring seamless operations.
- **Fabric & Dyeing Knowledge:** Expertise in S-Z type knit fabric processes, including finishing parameters and dyeing processes. Proficient in shade matching across different light sources and managing physical and chemical parameters.
- **Fabric Processing & Treatment Expertise:** Skilled in bleaching PV white and various woven fabrics, ensuring high-quality finishes and optimal textile performance.
- **Specialization in Heavy GSM Fabrics:** Experienced in controlling crease and rope marks in heavy GSM and coarser count fabrics. Proficient in double rope dyeing for natural and synthetic fabrics.
- **Dyeing Techniques:** In-depth knowledge of dye types (reactive, disperse, cationic, vat) and blend dyeing (poly cotton, modal acrylic cotton, CDPED fabric).
- **Equipment Proficiency:** Extensive experience with dyeing machines such as Sclavos (Athena, HT, Venus) and Thies (Fongs, LT).
- **Chemical & Fastness Testing:** Skilled in chemical testing parameters and assessing fastness of various fabric types, including cotton-polyester, 100% polyester, and cellulosic fabrics like cotton and viscose modal.
- **Quality Control:** Knowledgeable in implementing the 4-point system according to buyer requirements and managing shrinkage types (flat dry, line dry, tumble dry).
- **Merchandising Expertise:** Proficient in managing textile merchandising operations, ensuring smooth coordination between production and buyers.

2) ROLEX PROCESS HOUSE, Bhilwara Rajasthan (2019 – Internship – 45 Days)

Textile Manufacturer (Denim & Suiting, Shirting)

- **Trainee Role:** Demonstrated high dedication and commitment to gaining exposure in the textile industry.
- **Project Work:** Analysed shade variations (roll-to-roll, center-to-selvedge, and within-roll) and worked on improving the fastness of finished products.
- **Process Knowledge:** Studied the process route for suiting and shirting fabrics, from raw materials to final finished products, and investigated defects at various stages of the knits process, developing strategies for defect control.
- **Leadership Experience:** Acted as shift-in-charge for suiting and shirting dyeing operations for over 45 days, ensuring efficient workflow and production management.
- **Quality & Efficiency:** Controlled fabric wastage and rejection, contributing to process optimization

1) NANOSOFT TECHNOLOGIES & SOLUTION, New Delhi (06th Dec – 25th Dec - Internship)

CATD Development of Design for Handloom Project

- **Project Participation:** Contributed to the CATD (Center for Applied Textile Design) initiative focused on developing innovative designs for handloom projects.
- **Design Development:** Worked on creating and refining design concepts tailored for handloom textiles, ensuring a blend of tradition and modern aesthetics.
- **Process Optimization:** Studied and enhanced design processes to improve production efficiency and

maintain quality standards in handloom textiles.

- **Skills Applied:** Demonstrated expertise in textile design, creativity, and understanding of traditional weaving techniques.

Technical Skills

- Microsoft Office (Word, Excel, PowerPoint)
- ERP System (NOW)
- ERP System (SAP)
- CATD
- Dyeing, Finishing, Dye Lab, Knitting Grey house, Batching, suiting, shirting.

Education Qualifications

B.Tech (Textile Chemistry)

The Manikya Lal Verma textile & Engineering college Bhilwara Rajasthan (2018-2021)

Diploma

Indian institute of handloom technology jodhpur Rajasthan (2015-2018)

I hereby declare that the above information is true to the best of my knowledge and belief.
