

SUNIL KUMAR

AWS Certified Developer Associate

Mobile: +91 8210868648

Email: sunilarangi6561@gmail.com

LinkedIn: <https://linkedin.com/in/sunilarangi>

Professional Summary

- Highly committed, flexible and result oriented professional with total 20 months of experience on AWS, ETL tool (Informatica), Airflow, SQL, Python3 and Shell Script.
- Experience to work on large data warehousing across the different database like AWS Redshift, Netezza, Sybase and Oracle.
- Experience in creating Airflow data pipelines to perform ETL and data validation using Python across different servers and databases.
- Experience in creating Informatica Mappings, Sessions, Workflows, Processing tasks using Informatica Designer / Workflow Manager to move data from multiple source systems into targets.

Technical Skills

Programming Language: Python3

Databases: AWS Redshift, Netezza, Sybase, Oracle, MySQL

Cloud Computing: Amazon Web Services

Scripting Language: Bash Shell Script

Tools: Informatica, Airflow, Aginity, WinSCP, Putty, Git Hub

Operating System: Linux, Windows

Work Experience

Organisation: Tata Consultancy Services

Designation: Assistant System Engineer

Duration: August 2019 – Present

Project Summary

Project Title: BI Analytics

Client: Tata Sky, India

Role: Python and ETL Developer

Duration: August-2019 to Present

Skills: Informatica, Airflow, AWS, AWS Redshift, Netezza, Sybase, WinSCP, Putty, Python, Shell Script

Responsibilities:

- Analysis, Design, Development of various business applications, different platforms using Informatica, Airflow, Oracle, Sybase, Netezza and Redshift.
- Integration and transforming of various data sources from Databases like Oracle and formats like flat-files etc.
- Creating Informatica Mappings, Sessions, Workflows, Processing tasks using Informatica Designer/ Workflow Manager to move data from multiple source systems into targets.
- Creating Airflow data pipelines to perform ETL and data validation using Python across different servers and databases.
- Validating data for UAT analysis and creating automated Python & Shell Scripts for data transfer between different servers.

Educational Qualification

EXAMINATION	INSTITUTE	UNIVERSITY/BOARD	YEAR	MARKS
B.Tech.	Ramgarh Engineering College, Ramgarh	VBU Hazaribag	2019	80.20 %
12 th	S.S.J.S. Namdhari College, Garhwa	JAC, Ranchi	2014	64.60 %
10 th	R. Govind High School, Garhwa	JAC, Ranchi	2012	62.40 %

Achievements

- Received TCS Gems for Process Improvement & Innovation Ideas.
- Obtained AWS Certified Developer Associate certification by Amazon Web Services.
- Obtained Elite certificate in Programming, Data Structures and Algorithms Using C by NPTEL Online Certification (IITM).
- Co-founder of technical club of Ramgarh Engineering College known as **UDAAN** with three members to work on **Cloud Computing, Web Development, Android** in 2016 and got opportunity to work with 38 members.

Hobbies and Interests:

- Traveling Historical Places
- Event Planning & Management

I hereby declare that the details provided hereby are true to the best of my knowledge.
