Madhyamik Vidyalaya Panchkaroshi Kolawali

87.20%

Experience

Bharati Airtel Limited

20/11/2021 - 11/9/2021

Installation Engineer

Projects

2021 - 2021

Solar Based Automatic Lawn Mover

! Moving the grass cutter with a standard motor is inconvenient and no one takes pleasure in it.

! Classical grass cutters with heavy engines create noise pollution and local air pollution due to the combustion in the engine

! Motor powered engines require periodic maintenance such as changing the oil etc.

! If the electric grass cutter is corded, moving could prove to be problematic and dangerous.

! Solar based grass cutters are environmental friendly.

! This prototype will charge from sun using solar panels

Skills

- windows office package(word, excel, power point)
 - AUTOCAD
 - MATLAB
-

Interest

- drawing
 - playing cricket and kho-kho
 - travelling
-

Languages

marathi
english
