## CAREER OBJECTIVE

---

As a Mechanical Engineer ,fresher in this field, I will know about the nature of my work.To execution and measurement with Go-to market approach.Conduct product, domain and technology-based webinars.Maintain and improve customer relationships through regular contact and customer service to help produce domain-specific knowledge sharing content and build collateral on Zoho's offerings.

## SKILLS

---

Team Building  
Problem Solving  
Decision Making  
Sales & project/Digital(Marketing)  
Creative Thinking  
Search Engine Optimization  
Socialmedia Advertising  
Well Organised and ability to multi-task  
To helping customers find success  
Innovative and creative  
Ability to articulate and implement strategic and creative  
Customer queries  
Supporting leadership  
Able to Multitask  
Priortize and Manage  
Time Efficiently  
Fast learner, keep on details and self motivated  
Ability to work under pressure  
Ability to work in a team Confident in public  
speaking  
&  
Dedicating customer  
satisfaction

## PROJECTS

---

**Project Name:** I done a Project on "Experimental and investigation of copper Metal Matrix composites Reinforced with Aluminiumoxide Nano Particles By Using StirCasting technique".

**Role:** Project head

**Team Size:** 4

**Project Duration:** 3 Month

**Project Detail**

A huge demand of copper matrix based composites (CMC) as they offer high specific strength and wear resistance. Theoretical density - Rule of mixture Actual density - Archimedes principle.

## EDUCATION

---

| Degree/Course | Institute/College | University/Board | Percentage/<br>CGPA | Year of Passing |
|---------------|-------------------|------------------|---------------------|-----------------|
|---------------|-------------------|------------------|---------------------|-----------------|

|      |                                          |                 |      |      |
|------|------------------------------------------|-----------------|------|------|
| BE   | Mookambigai<br>College Of<br>Engineering | Anna University | 70 % | 2019 |
| 12th | SMSV BOYS HR<br>SEC SCHOOL               | StateBoard      | 75 % | 2015 |
| 10th | SMSV BOYS HR<br>SEC SCHOOL               | StateBoard      | 88 % | 2013 |

## ACHIEVEMENTS

---

### Activities

Farming activities  
Watching horror documentaries and sports over the weekend  
Plant Growing and Greenery

## STRENGTHS

---

Quick learner  
Honest  
Positive and creative thinking  
Calm attitude  
I never Give up  
Always ready for challenges

## AREAS OF INTERESTS

---

Product development  
Retails & Marketing  
Robotics

## HOBBIES

---

Cricket  
Football

## PERSONAL DETAILS

---

Address 190/1;  
Periyamathur;  
Sivantemple (Backside);

Date of Birth 05/12/1997

Gender Male

Nationality Indian

Marital Status Single

Languages Known Tamil  
English

## DECLARATION

---

I do here by declare that the above information is true to be the best of my knowledge.
