B. E (Computer Science Engineering)
58%
- DG Camp Panjim Goa** 2021
Digital Marketing

Skills

- C, C++, HTML, CSS JAVA

Projects

- **Pro-key Generator**

Pro-key Generator develops an distinctive key for softwares. Each software will be allotted with a distinctive code with which that software cannot be shared on different computers. Hence consumers have to buy softwares on individual basis for their use instead of sharing it from other source, enabling the software developer companies to earn their profit

Pro-key Generator helps to reduce software piracy problems because customers are less likely to pass information on to someone else.
