Summary

I've worked with the school since **2005-2010**. During this time I've had the opportunity to teach diverse youth population within my in depth training and experience in the high school public school system. I believe my enthusiasm for supporting all the students. Extensive education and specialized experience would make me an asset to this exciting State history education initiative.

Experience

Spring blossom pre-nursery school

Teacher

Aug-2005 -2007

Supported a diverse range of students as a **nursery**

teacher for over 3yrs.

MNPS

Teacher

Mar-2007 -2010

The same but with **High school** students for 4yrs.

Education

JKS college

Graduated-2010

BA

Jamshedpur, Jharkhand

Specialization in **Social studies** and **History**

Hobbies and interest

My **professional** interest include **reading** current education journals and studies, attending skill building **workshops** for educators, attending **seminars** and **conferences** on public education and history studies. It's always my goal to provide my students with a rich educational experience where they actively learn, as well as understand, why they are learning it.
