Summary

Results driven, analytical and strategic business consultant with two years of experience with two companies. Well versed in handling situations which require strategic decision making skills. Spiritual counselor with experience of 4 years who helps people shape their lives and develop themselves drastically, through healing of traumas as well as crucial decision making and critical thinking. Most of my spiritual counseling has been free of charges, however I did start an online spiritual service business in 2021 of my very own- Tarotsal.

Experience

Owner and President

Tarotsal • Ahmedabad

07/2021 - Present

I worked with clients online by predicting and strategising plans with them for their futures. We also worked to bring solutions to their currently existing problems. I have helped many in healing their traumas and guiding them in their careers as well.

Fundraising Intern

Muskurahat Foundation • Ahmedabad

10/2021 - 10/2021

Online fundraising intern at Muskurahat Foundation and helped raise funds for the education and mental health of needy children.
