SHUBHAM VAISHKIAR

Career objective

An Engineer with Experience in “City Gas Distribution Projects”. Expertise in Projects Planning, Scheduling & Execution of G.I pipeline Installation, LMC Connections, successful conversions, etc. Also believe in Fairness and work flexibility, which will allow me to contribute the organizations success and value Addition to my knowledge. Willing to find a Relevant Opportunity at Reputed Organizations.

Professional Summary

- Team Leader who collaborates with large teams to implement successful problem-solving strategies.
- Successful at cost estimations and project management.
- Effective at solving complex technical issues with speed and accuracy.
- Installation of Riser of G.I with Approach Work to Expand Connectivity of Various Consumers.
- Seeking challenging role as Projects department with potential for growth.
- Successfully solved difficult problems that required adaptation and modification.
- Highly focused mechanical engineer with project management experience.
- Excellent communication skills.
- Seeking to expand talents in projects.
- Skilled in monitoring identifying improvement areas and Implementing adequate measures to maximize customer satisfaction level.
- Exposure in completion of projects within the time and cost frames and effective resource allocation to Maximize outputs.
- Preparing/Managing SOR quantity time to time and fulfilment of shortfall.
- Handling Contract Management, Customer Complaints.
- Co-ordination with various heads like HSEQ, Marketing and AIC for smooth flow of Projects.

Work Experience

PROJECT ENGINEER with Shreeram Enterprises from JULY 2019 to OCT 2021.

It is a Project of MAHANAGAR GAS LTD.

- Manpower Management.
- Near miss reports & identifies unsafe conditions and unsafe act.
- Project monitoring, plan v/s achievement.
- To plan daily site activities as per monthly target.

- Providing regular training & motivation to achieve performance parameters.
- Conduct Safety forum given presentation for all employees network.
- Survey and Planning for G.I Pipe line to be laid and taking permission from respective departments.
- Closing work permit, TBT & PM reports every day and updating the same for ISO purpose & follow MGL Lifesaving rules.
- Testing & Commissioning of Gas Pipeline Network.
- Evaluation of “Cost saving Techniques” to Execute project in Economical as well as Technical manner.
- Identifying the risks and hazards involved in each of the processes and minimizing the same by HIRA.
- Took care of material inspection like pipe fittings, flanges, fasteners, gaskets at stores and prepare material Receipt inspection to general.
- Observing & assuring pneumatic testing and commission in gas pipelines.
- Commissioning of upstream and downstream pipeline network.
- Follow up of the outsourced materials required for project work.

Trainings

Attended various training programs like;

- HSSE Management in Work Orders.

Academic Qualification

B.E. in Mechanical Engineering from Mumbai University in 2019 with 7.20 CGPA.

BE Project:-“Design and analysis of ceiling fan blade by using CFD Ansys to optimize it’s performance”

The main aim of our project is to change the normal ceiling fan blade angle with the help of solid work model and analysis of this model in ansys fluent(CFD) and determined the optimum parameters and further study on it.

DIPLOMA in Mechanical Engineering from Mumbai university in 2016 with 71.75%

BE Project:-“Motorized Car Jack”

It is use to lift the vehicle for checking or changing the wheel. Objective of this is to use the electric power rather than human.

H.S.C from Maharashtra board in 2013 with 51.83%.

S.S.C from Maharashtra bard in 2011 with 77.27%.

Software knowledge

- Software knows: Auto-CAD, Solid work, Ansys.
- Office suite: MS-office, MS PowerPoint, MS-Excel.

Skills

- Ability to work in challenging environment and adverse situation.

- Superior time management.
- Commercial and residential planning.
- Site layout.
- Excellent & Strong communication skills.
- Permit applications and laws.
- Oral presentations.
- Client relations.
- Technical reports.

Area of Interest

- Management & Assessment.
- Manufacturing and Production Technology.
- Quality Control and Quality Assurance.
- Automobile Technology and production Engineering.

Personal Trait

- Creative and logical.
- Problem solving ability.
- Co-operative and keen observer.

PERSONAL PROFILE

- Date of Birth: 07 -JUL-1996
- Gender: Male
- Marital status: Single
- Languages Known : English, Hindi and Marathi (Read and Write)
- Hobbies : learning new thing, listen to music

DECLARATION

I hereby declare that all the details furnished above are true to the best of my knowledge and belief.
