Career Objective:

To utilize and enhance my microbiology skills towards challenging career microbiological function that will provide opportunities for improving my level of competency, reliability and thereby grow along with the organization as well as myself.

Academic Qualification:

- **Master of Science in Microbiology** (2016-2018)
 - CGPA - 7.46
- **Bachelor of Science in Microbiology** (2012-2015)
 - CGPA - 6.60

Experience:

- **Accuprec Research Labs Pvt.Ltd (1 Year)**
 - Maintain stock culture, Documentation Perform Environment monitoring in classify and nonclassify area, Perform Growth promotion test, Microbial Limit test, Bioburden test, Hands on experience in testing raw material, finished product .
- **Hi-Tech Healthcare Laboratory and Research Center (11 Months)**
 - Water analysis such as raw water, purified water, Portable water testing they are based on BIS standard
 - Food analysis such as cooked food, uncooked food, snacks, sweets they are based on FSSAI manual

Training & Project Undertaken:	
Project Title	Investigation on the effect of sonic stimulation or low power microwave radiation can modulate bacterial virulence towards <i>Caenorhabditis elegans</i> (http://doi.org/10.1101/351924)
Summer Training	Cadila Pharmaceutical Ltd.
Project Duration	1 Month (2017)
Department	Quality Control (Microbiology)
Scientific Skills	Using this project user can get save times and save the lives in quick time and good use of technology.
Microbiological Techniques	Acquainted with microbiological technique like media preparation, culture of microorganism, detection of microorganism by selective media, pure culture method, spread plate and pour plate, preparation of slant, gram staining, preparation of disinfectant, good laboratory practice, biochemical test Good handling of equipment's (biological safety cabinet, laminar air flow, microscopy, autoclave, hot air oven, UV spectrophotometer, water bath, colony counter, micropipette, incubator, BOD incubator, pH meter, vortex meter)

Personal Details:	
Name	Dhara Vajubhai Vekariya
Date of Birth	13 th March 1996
Gender	Female
Address	Desai wadi "Vrindavan" Jetpur-360370
Home Town	Jetpur
Nationality	Indian
Language Known	English, Gujarati, Hindi.

☒ I hereby declare that the information furnished above is true to the best of my knowledge.

Yours Faithfully
