kelambakkam, Chengalpet DT pin : 603103

Objective

Seeking challenging environment that encourages continuous learning and creativity providing exposure to new ideas and stimulate personal and professional growth.

Experience

Biocon Biologics Limited

17/05/2021 - Till

Executive
OOAC
OOAL
OOC in Environmental monitoring,
Deviation and Incident handling

Central Drug Testing Laboratory

06/07/20 -

26/04/2021

Bench chemist
Assay for Tablet, Capsule, Syrup and creme
Dissolution test
Identification
Disintegration test
Titration
Standardisation of chemicals
UOC and UOW
etc..

SGS India Pvt LTD

12/04/19 -

05/07/20

Microbiologist
Well qualified in following studies as per guidelines and pharmacopeia by
GLP and GDP

Bacterial Endotoxin Test, Method development, validation and verification as well as routine test.

Microbial Contamination Study, Method development, validation and verification Ada well as routine test on sterile and non sterile products.

Sterility Test Validation and Routine analysis on injection, lyophilised Powder, medical device by following techniques

Open method

Closed method

Antimicrobial Efficacy Test

Antimicrobial Assay

External manufacturing area qualifications

Bioball qualification, Culture maintenance and Culture Suspension

Environmental Monitoring

Calibration and maintenance of laboratory and instruments.

Softgel Healthcare PVT LTD

02/08/16 -

27/07/17

Microbiologist

Well qualified in Microbial Limit Test, water test and water validation, environmental monitoring in production area and Microbiology Laboratory, Media preparation and culture suspension.

Education

2019

University of Madras
